  - Sole source to Native (8a) firms
  - Competitive bid to small businesses
- Construction Management
MEMORANDUM OF AGREEMENT
BETWEEN
THE NATIVE VILLAGE OF NUIQSUT
AND
THE DEPARTMENT OF THE ARMY

ARTICLE I - PURPOSE AND AUTHORITY

This Memorandum of Agreement ("MOA") is entered into by and between the U.S. Department of the Army ("DA") and the Native Village of Nuiqsut ("NVN") ("the parties") for the purpose of establishing a mutual framework governing the respective responsibilities of the parties for the provision of DA planning, design and construction management goods and services. This MOA is entered into pursuant to 10 U.S.C § 3036(d) (Chief's Economy Act).

ARTICLE II - SCOPE

Goods and services which the DA may provide under this MOA include (i) design, review of design, and design management, (ii) real estate services, (iii) solicitation and award of construction contracts, (iv) construction management, (v) construction inspection, (vi) construction related testing, and (vii) other services such as development of conceptual designs and design criteria, engineering studies, archaeological surveys, construction impacts, environmental studies, and such other related goods or services as may be agreed upon in the future.

Nothing in this MOA shall be construed to require the NVN to use the DA or to require the DA to provide any goods or services to the NVN, except as may be set forth in Support Agreements ("SA(s)").

ARTICLE III - INTERGOVERNMENTAL COMMUNICATIONS

To provide for consistent and effective communication between the DA and the NVN, each party shall appoint a Principal Representative to serve as its central point of contact on matters relating to this MOA. Additional representatives may also be appointed to serve as points of contact on SAs.
Memorandum of Agreement

- Inherently Government-To-Government
- Federal funding agency certify it does not object to Corps providing services
- Tribe certify that services cannot be obtained quickly and reasonably through normal business channels
Costs

- Pay for service in advance
- Negotiate scope and budget with Tribe, with input from BIA PM
- Cost of Corps services
  - $100K for contracting and construction management
  - $300K for design, contracting and construction management
- Cost of Construction Contract
THANK YOU FOR YOUR ATTENTION
